REPORTS

The reports are tailored for each application and can show information such as user progress report and session overviews.
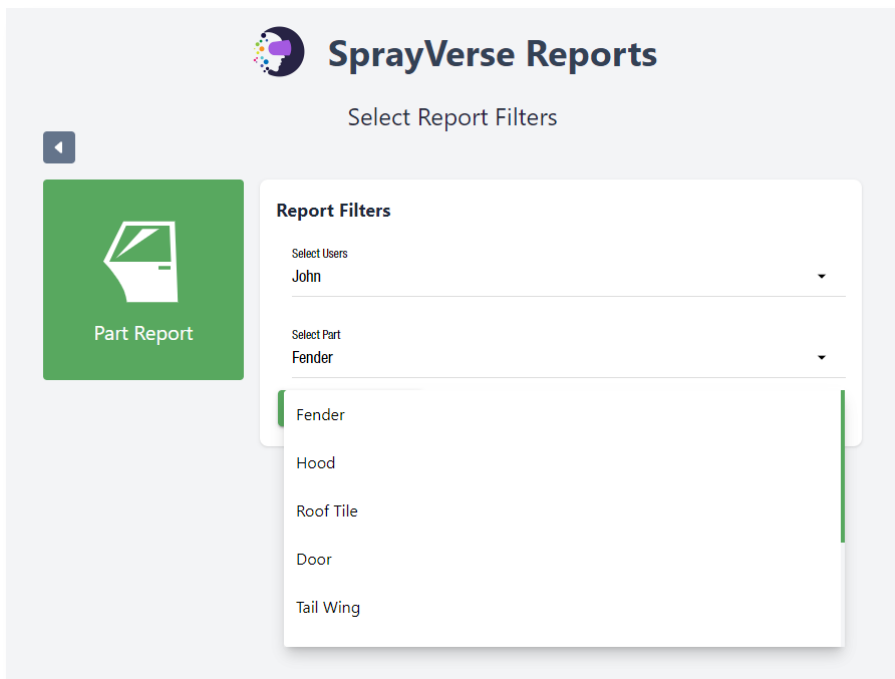

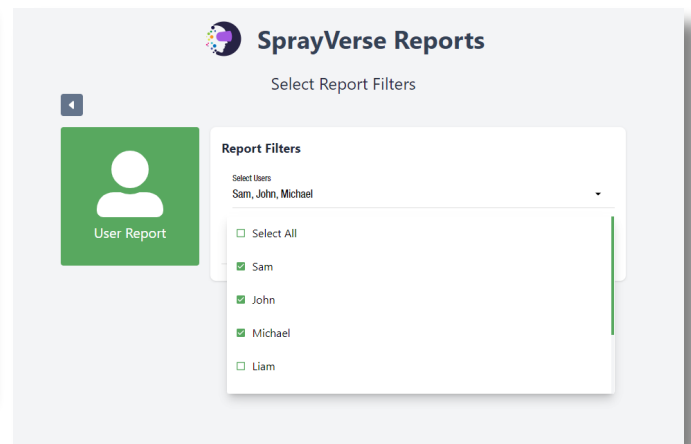

FILTERS

The reports can be filtered by user, date range and part. You can generate all reports for a single user or multiple users at the same time.
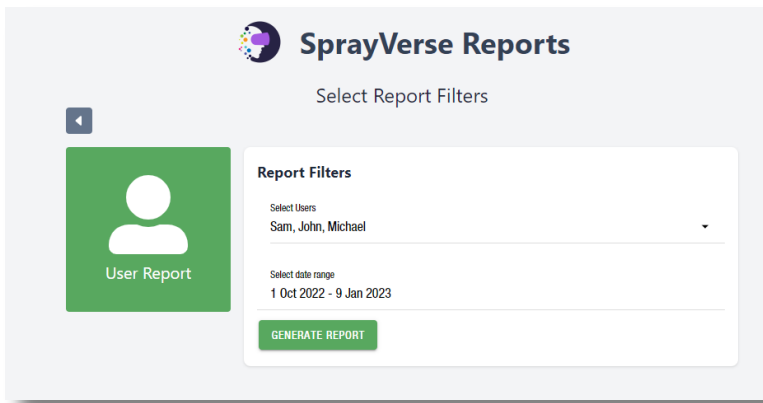

USER REPORT

The user report is a breakdown of the user's progress for the selected period. In this report you can see the grades the user has accumulated, the coverage breakdown for their latest sessions, the times they had done a certain activity as well as the total time they spent in active sessions.

APPLICATIONS

The applications panel shows all of the purchased as well as the available Cythero products.

SprayVerse
By: Cythero VR
Platforms:
Price: $600 USD

SprayVerse is a state-of-the-art portable spray painting simulator for many businesses, featuring parts from various industries such as automotive, aerospace and construction. The VR experience offers a way to safely train and reduce your costs while lowering your carbon footprint. It measures performance with powerful analytics and produces reports for each part you've painted to help you improve.

Latest Version: 0.1.1
Release Type: Alpha
Release Notes: Sprayverse second release - adding new features such as new parts and new reports. Adding offline mode and automated backups.

You own this product.

DLCs:

| **Custom Branding**	**Spray Gun**	**Device License**	**SprayVerse Hard Case**
Branding	Hardware	License	Hardware
$1200 USD	$330 USD	$600 USD	$360 USD
Enhance your sprayverse experience by adding your own branding and exploring the virtual world in your own unique way.	Spray Gun - Replace the regular joystick with a 3D printed spray gun which simulates the feeling of a real spray gun and brings the player closer to the real world experience.	Sprayverse Player License - allows your group to register another device without having to kick another person from the application.	Protective carry case for the SprayVerse unit - durable, shockproof, dustproof and waterproof hard case with custom foam inlay.
