Preparation

To begin, please open the SprayVerse hardcase and carefully remove the Oculus Quest 2 Headset, Controllers, Controller Mount, and Casting Cable.

Next, securely attach the right Oculus Quest 2 Controller to the Controller Mount and fasten the velcro strap to ensure a snug fit.

Lastly, connect the Casting Cable between the headset and your PC to enable casting of your perspective and interactions within the VR environment to an external monitor.

Please visit the following link to access the casting software and find detailed instructions on how to begin your offline casting journey.
