Preparation

To begin setup, open the SprayVerse carrying case and remove the required components: the Meta Quest headset and controllers, the link cable, and the spray gun controller mount.

Cast to Web

Your computer must be on the same Wi-Fi network as your headset to cast to Meta Quest.

On your computer, open your browser then go to www.oculus.com/casting and log in with Meta Account.

Put your headset on and press  on your controller to open the universal menu.

Select Camera, select Cast.

Select Web, then select Next to connect.

Launching SprayVerse

Locate the SprayVerse application in the Applications menu on the Meta Quest headset and launch it by selecting its icon.

Enterprise Mode and Cloud Analytics

The Enterprise Version enables secure multi-user access, allowing organizations to create and manage multiple accounts while tracking individual user progress and performance.

It also includes a web-based administration panel for managing users, organization settings.

The web-based administration panel provides control for managing users, configuring organizational settings, tracking trainee progress, and generating detailed performance and usage reports.

Log in with Trainee profile

After logging in, select a trainee profile from the list displayed on the left side of the screen and enter the associated 4-digit PIN to access the profile. To create a new trainee profile, select the Add New Profile option located in the lower-left corner of the interface.

The screenshot shows a dark-themed interface. On the left, under the heading "SelectProfile", there is a list with "Training Profile" selected. To the right, the "Organization:" is listed as "Cythero" with a red square icon containing a white left-pointing arrow. Below this, "Selected:" is listed as "Training Profile". At the bottom left is a green button labeled "Add new profile". In the center, there is a grey input field followed by a green button with a white right-pointing arrow. At the bottom center is the "SPRAYVERSE" logo, which consists of a grey circular icon with a white dot and the word "SPRAYVERSE" in a bold, sans-serif font.

The screenshot shows a modal form titled "Add Profile" with a red circular back button in the top left corner. The form contains four input fields arranged in two columns. The left column has fields for "First Name", "Last Name", and "Email". The right column has fields for "User Name" and "Pin". At the bottom right of the form is a teal button labeled "Create".
